

Give **EASEL** a High-Five

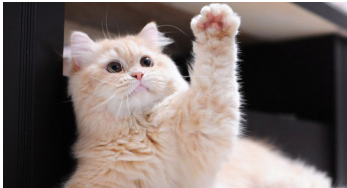

To celebrate the success of **The Jackson Galaxy Project's** transformative *Cat Pawsitive* program, GreaterGood.org is announcing the second annual **Cat Pawsitive National High-Five Day Contest**.

From April 18th until May 16th, EASEL is asking our shelter staff, Cat Pawsitive volunteers, and supporters to share their **best high-five photos and videos**.

The contest is open to everyone! Whether you are active at our shelter, donate to EASEL, or you just love cats, **YOU can enter to win big** to help provide for the kittens and cats in EASEL's care.

**Please don't leave
EASEL hanging!**

For training tips and details on how to enter the contest, and to see videos posted by our Cat Pawsitive team and volunteers, check out our EASEL web page.
